

AR Resolution Specialists

BILLERS & COLLECTORS; ALL PAYORS

AR Resolution Specialists available now.

AR RESOLUTION SPECIALISTS REMOTE OR ON-SITE SERVICES

Nearterm offers experienced AR Technicians, Billers, Collectors and other Back Office professionals that are proficient with your system. Most have 12+ years of experience that includes a strong understanding of Medicare and Medicaid processing requirements as well as those of most commercial payors.

Remote

Our AR Specialists work on-site for a brief orientation, and then transition to remote work. Many hospitals have taken advantage of this cost effective model.

On-Site Services

We work at your facility for as long as it takes to meet your objectives.

- Billers
- Collectors
- Medicare and Medicaid Follow-up
- Commercial Follow-up
- Self Pay
- Credit Balance Resolution
- Cash Applications
- Customer Service
- Patient Access
- Benefit Verification
- Claim Denial & Resolution

Our specialists are trained and knowledgeable with all payors and hospital systems.

REMOTE OR ON-SITE SERVICES

Backlog Resolution

Nearterm can quickly deploy a team of AR Specialists to eliminate accounts receivable backlogs or to fill-in while management focuses on episodic initiatives such as computer conversions, system upgrades or other operational issues.

Q100 Quality Assurance

In addition to providing the technical resources called for by your situation, a Nearterm Partner from our firm will provide support at every step of implementation and delivery of services. Your Partner will communicate routinely with you and the Nearterm team, or person doing the work, to ensure quality. Our Partners are recognized authorities in Revenue Cycle Management.
